Zee School, Alwar

Ref. MLZS/Cir/19-20/017

Date: 10th July, 2019

“Let’s plant a TREE and make this world pollution free”

Dear Parents

Greetings!

You are requested to attend the PTM on July 13, 2019.

Timings: From sharp 8:30 am to 11:30 am.

Summer comes and birds start dying, effects on human bodies is worse, earth is parched, to top it all there is condition of drought all over the country. This is happening due to Global warming, change in environment, increase in pollution etc.

To add to the day of PTM the school will be organising **Go Green Campaign** with parents. This is also to give the onus to the extended Literan family about the belonging to school. It will be exciting to see the parents planting trees in school with their ward. Plants will be available at the school.
